Free Shuttle Buses

During winter at Grand Canyon National Park, free shuttle buses operate on two routes: Village Route (blue) and Kaibab Trail Route (green). No tickets are required, and bus stops are clearly marked throughout the park by signs with the above symbol.

Buses may be white or white with a green stripe. The route is indicated by a colored square near each door. Many buses also display the route name on the front of the bus.

Pets are not permitted on buses.

Shuttle service may be suspended during inclement weather.

Note: Sunrise and sunset times are listed on page 5.

Hermit Rest Route

The Hermit Rest Route does not operate during the winter. Hermit Road is open to all vehicles during December, January, and February.

This narrow road winds seven miles past numerous overlooks to Hermit Rest. It may be closed during inclement weather. Watch for hikers and bicyclists along the road.

No shuttle bus service on the Hermit Rest Route from December through February.

Village Route

Buses provide transportation between Canyon View Information Plaza, Yavapai Point, hotels, restaurants, campgrounds, parking lots, and other facilities in the Village area.

This is not a scenic route, but rim views are available a short walk from many stops.

Rules of the Road

Motorist Warning
Pedestrians have the right of way. Vehicles must stop for pedestrians in crosswalks. It is the LAW.

Pedestrian Warning
Avoid walking on narrow park roads. Use trails that parallel most park roads. Always face traffic.

Bicyclist Warning
Bicycles are permitted on all paved and unpaved park roads and the Greenway Trail. They are prohibited on all other trails, including the Rim Trail. Bicyclists must obey all traffic regulations. Always ride single file with the flow of the traffic. See and be seen: wear bright colors and a helmet.

On the narrow Hermit Road bicyclists should pull to the right shoulder and dismount when large vehicles are attempting to pass. Never hang onto a shuttle bus while riding. The new Greenway Trail segment between The Abyss and Hermit Rest provides a bicycle path away from the road.

Parking

Parking is available in lots throughout Grand Canyon Village. Please avoid parking along the roadside except where signs or lines on the road indicate that it is permissible. Locations of the parking lots are indicated on the map above.

(A) Near Park Headquarters (administrative offices). A large lot that frequently has available spots.

(B) Near the businesses in Market Plaza. This is the largest lot, but tends to fill early.

(C) This small lot near the intersection of Center and Village Loop Roads may have sites when others do not.

(D) Unpaved lot along the railroad tracks in the middle of the Grand Canyon Village Historic District.

(E) Near the Backcountry Information Center. The southern portion of this lot has large, pull-through spaces for RVs and vehicles with trailers.

Easily accessible shuttle bus stops are located in or near all parking areas.

Accessibility

An accessibility permit, allowing access to some areas closed to public traffic, is available at entrance gates, the Visitor Center at Canyon View Information Plaza, Park Headquarters, Kolb Studio, El Tovar concierge desk, and the Bright Angel Lodge, Yavapai Lodge, and Maswik Lodge transportation desks.

Visitors with mobility concerns will find designated parking spaces in most parking lots and near most facilities, including Mather Point. A parking lot on the south side of Canyon View Information Plaza offers accessible parking closest to the Visitor Center. Follow the signs from the main park road east of Mather Point to reach this parking area.
